

CGC 1P Student Course Map

Enduring Understandings (If you only had 2 weeks to learn this, what should you understand when you are done?)

1. Geography is more than just maps.
2. Wherever you go in Canada, you will find things that are the same but different.
3. Everything happens for a reason.
4. We affect the land and the land affects us.
5. Everything is connected.
